

Great value skip hire

The ideal solution from Waste King

Our Skip Hire Service is UK nationwide, providing the ideal solution for your waste requirements. The majority of our skips are available to be offered on a next day delivery basis, with flexible removal options to work alongside your schedule.

Our Skip Prices start from as little as £165 +VAT (subject to size / location). You can book online which will guide you through a simple and straight forward process to have your skip delivered directly to your address.

- All sizes of skip (2 to 20 yard) available to suit your needs
- Extra large Roll-on-Roll-off skips available (20 to 50 yard)
- Fixed Prices on Skips
- Registered licensed waste carrier CBDU93920
- Available to book online!

97%

of all your waste is re-cycled at our OWN waste transfer station reducing waste to landfill

“Delivered and collected as agreed, polite service with absolutely no hassle”
Jeremy Sage

Roll-on-Roll-off skip hire

Ro-Ro skips are ideal for large high-volume waste, such as demolition or construction rubbish and we have the perfect size skip for your needs. We supply all sizes of Roll on Roll off skip; 15 yard, 20 yard, 30 yard, 35 yard, 40 yard and even 50 yard roll-on-roll-off skip.

Our customers have a dedicated account manager to organise their skip movement. We offer a nationwide service the construction and industrial sectors.
